As customary the constitution of the Synod was read.

Hereupon the President requested the ministers to give a conscientious report of their congregations and of their ministry ; from which it appears, that generally peace and order prevail, and that the ministers, according to the exhortation of the apostle, "take heed unto themselves and to the flock, over which the holy ghost hath made them overseers, to feed the church of god, which he hath purchased with his own blood."

The minutes of the last year's Synod were read.

The President informed the Synod, that he had, since the last session, licensed the candidates Messrs. C. W. Schultz & G. Mills, present, to which he found himself empowered by the constitution of the Synod—after

having examined and found them proficient in theology, the learned languages and ecclesiastical history.

Revd. Bibighouse offered the following question to be decided by the Synod: "Shall those two candidates be examined again by the Synod or not?"

After much deliberation pro et contra, in which it has been observed, that Mr. Mills had preached for several years, licensed by the *so called* General Synod, it was resolved, that an examination of the President is sufficient and that both candidates be licensed.

The session was concluded with singing and prayer.

SECOND SESSION.

A letter of candidate R. T. Herman was read, in which he desires to be excused for not attending the Synod this year, and in which he gives an account of his ministry.

Mr. Mills informed the Synod that he has accepted of a call of the Reformed congregation of New-York; and presented a letter of the vestry of that congregation, in which they petition, that Mr. Mills might obtain the ordination by a committee in their congregation.

tized 136, confirmed 46 and administered the Lord's supper to 548.

Resolved, that five hundred copies of our synodical minutes be printed, viz. three hundred in German and two hundred in English.

Resolved, that the Secretary and Revd. J. C. Guldin be a committee to translate the minutes into the English language & to promote the printing thereof.

Invitations have been given to the Synod for our next session from several places, as: Philadelphia, New-York, Trapp, Reamstown and Bernville; after the votes were gathered, it appeared that Philadelphia be the place of our next convention.

Resolved, that the next Synod be held in the city of Philadelphia, on the first Sabbath in the month of September, 1830.

Resolved, that the Synod now adjourn, to meet again next September.

Hereupon the Revd. Clergy presented the status ecclesiae.

Now all present, bowed with humble reverence before God the Father of our Lord Jesus Christ, their hearts, inspired with gratitude for the bounty and aid experienced in adjusting the concerns of his church, and with fervent supplication for his fatherly blessings to the propagation of his kingdom; and in the name of the Lord the members have been dismissed.

O that the Spirit of God would unite all true Christians so heartily, among themselves, and the great Supreme of his Church that all might be "of one heart and one soul," in Jesus Christ our Lord.

This evening the Revd. Guldin preached in the English language.
